Editorial

It is good to see so much news this time, but some of it was nearly a week late. Could I ask, once again, that if you have an item of news that is going to be late, you let me know. Normally it isn't a problem, as I usually take about a week to type everything, but occasionally I need to get the newsletter to the printer promptly, and if I don't know that I have anything else to wait for your news could be missed out.

For anyone who doesn't know, I require copy by the **15th of every odd month** (a date I usually put in the "dates to remember" section) for publication on the **first Saturday of every even month**.

In response to the request made to the Community Council at their last meeting, which I noticed in the minutes, the date of the next meeting appears, as usual, in the "dates to remember". I apologise for it having been missed out of the April edition.

Community Council

The following is an extract from the minutes of the Community Council meeting held on Monday 4 May, at which 2 members of the public were present.

The Chairman brought to the attention of the meeting the sad death of Liz Stewart, who was well known for her work as District Nurse in Glenfarg for many years.

PROPOSED KARTING TRACK There is a proposal for an all terrain Karting Track at Lochelbank Farm, Wicks of Baiglie. The track will be environmentally friendly, and will use portable toilets and offices, so that no structure will be erected on the site. It is hoped that the track will be open 40 weeks of the year. A maximum of 6 karts will run at any one time, with at least 4 members of staff to act as marshals, with at least 3 positioned on the track. A qualified First Aider is on the staff. Directional lights, approximately 10 feet tall, will be used when dark. Fuel is to be stored in steel containers, with a fire extinguisher on each door. It is hoped to attract the general public as well as corporate business, which should generate local business in the village. Various concerns were raised, and the developers stressed that all these aspects had been given consideration. A demonstration for councillors and members of the public is to be arranged.

TREE WARDEN SCHEME The Headmaster has agreed to involve the children in monitoring the progress of the trees planted in the school grounds.

WASTE DUMPING There was general agreement about the untidiness of the Glen at the moment, and the regular dumping of waste in the Glen. PC West pointed out that this was often carried out by bogus workmen unwilling to pay commercial rates to use the skip. He suggested members of the public should report any suspicious dumping to the police. It was agreed that the Secretary should write to the Director of planning to co-ordinate future plans for the Glen. Cllr. MacNeill suggested a millennium exercise whereby the Community Council could approach landowners to look at grants available for improving woodland to provide an attractive walkway or cycle track along the Glen.

DOG FOULING The problem of dog fouling, particularly along Main Street and Greenbank road, was raised. The Secretary is to approach P&K Environmental Consumer Services for advice.

WREATH The theft of the wreath from the War Memorial was reported

VANDALISM PC West urged members of the public to report instances of vandalism to the police.

Neighbourhood Watch

The following is an extract from the new Kinross Area Neighbourhood Watch Newsletter.

In the newsletters we hope to keep you abreast of current crime trends that may affect the area, and we also intend to highlight a particular theme, and in this issue it is "Bogus Workmen".

Because this is a new venture we would like to take this opportunity to describe briefly the partnership we hope to create between Kinross Police and the

co-ordinators of the Neighbourhood Watch Schemes. Kinross Police have three constables who are Community Liaison Officers, and each has a responsibility for a part of the Kinross section, Constable Steve West being responsible for Glenfarg, as well as Crook of Devon, Powmill, Blairingone and Cleish. These Officers will liaise with the co-ordinator of the Neighbourhood Watch Scheme in their area, and keep them up-to-date with matters that may affect their schemes. We

hope that this will improve the communication between the Police and the Neighbourhood Watch Schemes, but we would welcome any suggestions that would be of mutual benefit.

Recently things have been comparatively quiet in the Kinross section. On the negative side there have been a few minor break-ins, and some thefts and vandalism. Over the past few months in the Kinross area there have been some thefts of quad bikes, and although we realise that these are not the sort of items normally found about the home, we would appreciate any information that would assist us to trace the culprits.

On a more positive note, a recent spate of sneak-in thefts has been cleared up, and one person has been reported to the Procurator Fiscal.

With regard to our constant fight against crime, initiatives are ongoing to combat disorderly conduct and to deter the dropping of litter. We hope to join in a campaign operating in the Perth & Kinross area to stamp out vandalism to schools, and would urge anyone, particularly those who live near, or whose houses overlook, schools to report anything that may assist us.

Now that the clocks have changed, and summer is fast approaching, we would like to remind you about leaving garden equipment/furniture, childrens' toys and cycles lying out overnight, and of the need to secure your outbuildings. Warn the kids about leaving their bikes lying about, and give serious consideration to having them (the bikes, not the kids) stamped with your postcode.

BOGUS WORKMEN We have chosen this subject because it is the time of year when our attentions turn to the garden, and possibly to having some home improvements, for which we might consider some expert assistance. For every expert, however, there will be a bogus workman/con man who will offer attractive cut price work, but in reality he will try to rip you off, and in many cases will get away with it. We would like you to pay extra attention to our elderly residents, to prevent them being the victims of these unscrupulous individuals. Please note that Council employees, and Water, Electricity and Gas employees, have been instructed to show their identification without being asked, and if they do not do so, be suspicious.

The co-ordinator for Birch Lane, Elm Row and Ash Grove is Elspeth Buchan 830433

Public Hall Association

The AGM took place on 22 April. Mr. Lambie thanked everyone for their support of the Association over the past year, and a special note of thanks was recorded to Edith Coventry for all her hard work behind the scenes.

During the summer holidays extensive exterior work and painting will be done. The ground in front of the Hall will soon be seeded, and it is hoped that, thanks to the Council, the Cubs and Guides, there will be colour around the Hall this summer.

The Council has been approached re fencing both entrances to the Hall, using farm style gates, allowing easy access.

It is hoped that the proposed plans will be available soon for comment from all.

There will be a "Rockin' Blues Night" on 6 June in the Village Hall, which will feature the "Penetrators and J. Yellowlees" (with local man,

Ken Brechin as the drummer!) All proceeds are for the extension fund, and tickets are available from the Post Office and committee members. A bar and raffle will be available, so please support this event, which is for a good cause.

The following committee members were elected:

Chairman	Robin Lambie
Vice Chairman	Jim Kirkland
Treasurer	George Ross
Secretary	Pierette Melville
Property Convener	Alan Dover
Members	Catherine Fairweather, Jeanette Kirkland, Nicky Matthew, Sue Sadler

The next committee meeting will be on 24 June at 8pm.

Christian Aid Week

This year our door-to-door collection in the village and outlying areas raised £559.86, some £60 more than last year. Thanks to all those people who contributed so generously, and to the volunteer team of collectors, particularly the new ones who were knocking on doors for the first time. This year the main theme of the collection centred on the work Christian Aid is undertaking in Ethiopia. Ivor Gordon Village Organiser

Bridge Club

Mr. Bob Millar, winner of the winter session, was presented with the Searle Cup at the luncheon in Abernethy. Runners up were Mrs. Sheila Harley and Mr. George Clark.

Winners of the afternoon game were:

1. Mrs. Muriel Davidson 2. Mr. Peter Murphy Consolation: Mrs. Isabel Ross

Arngask Primary School

The Fun Day at the end of March was voted a great success, and £720 was raised. This has been shared between the school and the charities "Help the Aged" and Unicef. A cheque for £200 was presented by Jenna Ritchie to Judith Clark, Area Representative for "Help the Aged". A similar cheque will be presented to Unicef.

Pupils of P6 & 7 enjoyed another action-packed weekend at Ardroy Outdoor Education Centre. The children all have certificates to prove that they survived the course, which included canoeing, abseiling, orienteering and initiative games focussing on team-work. Thanks to Mrs. Whyte who accompanied them on their trip.

The footballers reached the semi-finals of the Dunfermline Trophy five-a-side tournament. Two wins and a draw saw them qualify from their group to play Fossoway. Unfortunately our forwards ran out of fire-power, and a brave defensive performance from the Morton brothers couldn't prevent a 1 - 0 defeat.

On Tuesday and Wednesday 9 & 10 June P7 will be visiting Perth Academy, and on Monday and Tuesday 15 & 16 June pre-school children will be visiting P1.

Wednesday 17 June is Sports Day, and everyone is welcome.

The Family Fun Night and barbecue will take place on 26 June, with great fun for young and old!!

The end of term prizegiving is scheduled for Wednesday 1 July at 2pm.

Shield winners for April were:

P1 Joe Norris; P2/3 Abbee Leeds; P4/5 Grant Stewart & Callum Elder; P6/7 Laura Beveridge

A Day with Scottish Opera On 20 March Primary 6/7 went to Coupar Angus to join Scottish Opera for "The Sands of Time".

When we got there it was about 10 o'clock. We sat down next to pupils from Balbeggie School, who were also to play Egyptians. At first we sang our songs, which were "Mystery", "Swift to the Stars" and "Time after Time". After that we split into our groups. The Egyptians stayed with Nicola, while the Assyrians went with Shannon. The Explorers practised with Fiona, and the Musicians practised with Ian. We made Egyptian shapes for the beginning, then we learned what to do for the "Mystery" song, and then the battle for "Swift to the Stars". After that we had lunch and a huge kickaround. It was all the other schools against us, and it finished 2 - all.

After lunch we practised a bit more, and did the battle scene with the Assyrians. Then we got into our costumes and rehearsed. Then the real thing - a public performance in front of the parents. We all performed well and nobody forgot anything. All the parents clapped at the end, and we got our picture in the Courier.

The School Fun Day The School Fun Day took place on 26 March at the school. As usual we were fundraising for the school, Help the Aged and UNICEF. Altogether we have raised over £700, which is a great effort from everyone involved.

The people who came in fancy dress were judged first (I was one of them), and then the stalls were opened. Laura, Melissa and I had a stall called Guess the Baby. We each took turns to run it. Laura and Melissa were on first, so I went to some of the other stalls. First I went to the Easter Tombola. I took one card. No luck! Then another card. Could it be ... no luck. I took my last card. I didn't believe it - no luck whatsoever. I was quite disappointed.

Soon we had a break. When I came back in it was my turn to go on the stall. I was very pleased to see that our stall was doing well. I'm not very sure, but I think we had made roughly £3.60 then.

The atmosphere at the time was one of happiness and people having fun. Before long it was lunch time. The school dinners went first, then the packed lunches. I was starving by the time I got to eat my lunch.

Once we had finished lunch we had to go back out for another fifteen minutes. When we went in we had to count up our money. Our stall had made about £10.

After that we were told who had won the Fancy Dress, and who had won from all the stalls. The people who had won the Fancy Dress were: Stephen and Hannah from P1, Katie (my sister) and Ryan from P2/3, Lauren and Hamish from P4/5, and finally Laura and Kenneth from P6/7.

Once that was all over some parents came in for the Talent Show. I had two acts in the Talent Competition. One was a puppet show with Andrew and Leo, and the other a poem with Leo. On both occasions I was very nervous, but I overcame my fear and went for it. The show finished with a performance by the new village band - the Duncricvie Doods. They are Tom, Ben and Joe Norris, Kevin Henderson and Lauren Brookes, and they were really good. When I was thinking back, I thought we did quite well. I think the fun day was exciting, fun and I had a brilliant time.

Adam Whyte

Ardroy Report On the first weekend after the Easter holidays, the pupils in P6 and 7 went to Ardroy, which is an outdoor education centre near Lochgoilhead. While there we took part in activities like canoeing, abseiling, orienteering and initiative games.

The activity I enjoyed most was the Dragon Quest. I enjoyed it because we had to work as a team most of the time. When we did the Dragon Quest I learned how to trust people I hardly knew. The Quest is a mixture of different tasks. It's like the Crystal Maze.

I think that the whole class learned how to communicate, and I also think that all of our listening skills have improved a lot.

I am now able to trust people I hardly know. This will help me in the future when I get a job.

When we had our first dorm inspection I thought that Eddie, the inspector, was rather fussy.

Kirsty Campbell

Primary 2/3 Report This term we have been doing a project on time. After moving the

classroom furniture we are now in groups called the red, blue, green and yellow clocks. We have made a writing wall, and filled it with our diaries about our weekends, "yesterday, today and tomorrow" pictures, and have written thank you letters to Mary Hooper, the author who came to visit us earlier this term.

We have also been busy writing letters to our new Swedish penpals that Mrs. MacGregor met whilst on holiday in Sweden.

We have been learning to tell the time, and have brought in clocks from home, as well as making "light and dark" pictures as part of our time project. Because the weather is getting better we are now going outside for gym. We have also done an assembly on "the wise man and the foolish man".

Next term we are going to make a "time machine", and we would be very happy if parents could find any items from the past to help our project.

Primary 4/5 After last term's exciting adventures with electricity, Primary 4/5 have been having lots of fun using home-made gears, levers and pulleys to create everything from working cranes to rocket launchers (though NASA haven't got anything to worry about just yet!) Many thanks to all mums, dads and neighbours who contributed raw materials such as cardboard, yoghurt tubs and jam jar lids. We couldn't have managed without them.

Our experiments have included finding out how the gears work on a bike - it's all much more complicated than we thought, but a lot of fun to investigate. We're spending time researching how things work using our new school PC with its talking, interactive software, too. We'll almost certainly be getting more exciting computer materials with the huge number of Tesco and Asda coupons you've been helping us collect (final total to be announced soon), so thanks to everyone who has requested them at the checkouts.

The big sports project for us at the moment is the TSB Magic Mac athletics challenge. Some of the activities, like running, are familiar. Others, like the hop, step and jump, are quite a tricky proposition, and some of us finish with our legs tied up like spaghetti on the floor!

Well that's about it for our news. If you see us out and about a lot in the next few weeks, that's because our next project is the Riverbank. Hopefully none of us will be coming home dripping wet, but it's not impossible, so apologies in advance!

Would you like your child to be transported to a "tropical island" for a weekend in August. Why not let them come along to the Bible Class being run by Arngask Parish Church from Friday 21 to Sunday 23 August. We'll be "Going Bananas" there, and we'd love them to join us.

"Going Bananas!" is for all children between the ages of 3 and 11. It will be fast moving and lots of fun, with games, music, zany presenters, Bible stories and drama - all set on a tropical island!

Please note the dates now. Further detailed information will be available nearer the time. Meanwhile if you have any queries, please contact Ken Hamilton (830490) or Lindsay Kinnaird (830337).

Tennis Club

The season is well underway, with adult teams in Perth & District Midlands Leagues. A first for the club is a junior team, entered in the Junior Perth & District League.

Club night is now on a Friday, lots of social games, and chat and stovie flavoured crisps afterwards in the Glenfarg Hotel.

New members are always welcome, and should contact Stuart (830476) or Elspeth (830433) for information about the Club.

Don't forget the **Tennis Club Duck Race** on **Sunday 7 June** in the **Glenfarg Hotel Beer Garden**. As well as the races, starting at 2pm, there is the adventure playground, and it is hoped to have a Bouncy Castle. There will be a barbecue, from which you can buy hamburgers etc., and of course the Hotel will be serving lunches and bar meals, with the Terrace Bar open all afternoon.

For those of you who haven't yet bought Ducks, more will be on sale on the day.

We are hoping for a good turn-out from the village, and weather permitting, it should be a great day out.

Remember everyone is welcome - see you there!!

Sunday School

There is a busy term ahead starting with the outing on 13 June to Blair Drummond Safari Park. Everyone is welcome, and anyone interested should contact the Sunday School staff. Sunday 21 June is Fathers' Day, and there will be a Family Service to which all Fathers are welcome. The Sunday School prizegiving will be held on 28 June.

Mrs. Fairweather opened the March meeting, welcoming members and guests, and congratulating all who were successful with their Spring Show entries. On completion of the business, Christine McIntyre and Ann Grimond showed their expertise in soft furnishings, demonstrating how various types of trimmings transformed plain cushions and curtains into works of art. Mrs. Cumming thanked the two ladies for a most enjoyable and educational evening.

The April meeting was opened by Mrs. Fairweather, who welcomed members and guests. After the business, visiting members from Auchtermuchty Institute entertained. They began with a miraculous transformation of a plain bookcase into a fully furnished doll's house, complete with fireplace, pictures and pot plants. The entertainment then continued with amusing recitations, and wonderful singing from the choir. In conclusion Mrs. Fairweather gave the vote of thanks, which was warmly endorsed by everyone present. Supper was provided by the Glenfarg committee.

On 10 May several Glenfarg WRI members took part in a sponsored walk in aid of McMillan Cancer Relief. They walked a mile, singing all the way, with only an occasional pause for breath, and raised the princely total of £340. Many thanks to everyone who supported this worthy cause.

The President, Mrs. Fairweather, welcomed everyone to the May meeting, which was also the AGM. She thanked the two ladies from Abernethy Rural for coming to count the votes, and asked them to judge the competitions. When the business had been completed the evening became informal, the members circulating at will around three demonstrations. Mrs. Liliast Johnston converted an old school desk into a useful and attractive stool by clever upholstery, Mrs Jeanette Kirkland showed her magnificent quilting, and Mrs. Marion Dickson, ably assisted by her husband, Peter, showed how to create beautiful hanging baskets for the coming summer. Mrs. McGregor gave the vote of thanks, which was warmly endorsed by everyone present.

The new committee members are Mrs. Oswald, Mrs. Quartermaine and Mrs. Wall.

Small Dish Pate	1. Mrs. Messenger	2. Mrs. Moran	3. Mrs. Johnston

Riding for the Disabled - Glenfarg Group

Riding started again on 20 April. We have 93 riders enjoying the rides each week.

The winter riders who were tested for their Grades 1, 2 & 3, were all successful, and received certificates for their efforts.

Our advanced riders, Katy and Sandy, who went to the Special Olympics trials in the Wirral at the end of March, returned home with a collection of awards - two gold medals, two silver medals, and other ribbons. The deliberation of the selection

committee for a place on the team for the World Olympics in North Carolina in 1999 will be announced in July - we wait!!

Riders from Goodlyburn and Craigie Primary Schools took part in a Musical Ride at Sauchieburn in mid May. They rode ponies from the Sauchieburn stables, and were dressed up to tell the story of "Old Macdonald had a farm", to music recorded by the children. A great day out was had by all.

Anne Hulse
Group Chairman

P.S. We still search for more helpers!

Venture Scouts

The Venture Unit is gradually expanding both in numbers and ideas. They gave a very interesting account of their activities at the Scout Group AGM, and are working towards various awards.

Scouts

The Scouts have now done two more camps, and Alasdair Imrie has completed his Silver Zodiac challenge, camping every month for a year. Some of the other Scouts are not far from completion.

The March camp was to Ruigh-at-eachain bothy in Glen Feshie. The Scouts would like to return to the area, as it is brilliant for wide games. April was "area flag" - a competition camp for patrols of 5 or 6 boys at Brickhall Farm. Our Scouts acquitted themselves well, and came close to winning.

Cubs

I would like to apologise for the lack of reports written by the Cubs in this edition of the newsletter - it's my fault, I forgot to ask for them.

The boys are busy writing reports on the 5-a-side football competition, the sports day (it was very, very wet) and their camp at Crook of Devon. I would like to thank all those who helped at the camp, especially ADC Cubs, Roger Horner from Abernethy (who has passed me as a camp leader),

Alan Black, Stuart Cumming and Murray Hunter (what about next year?), also the Kinross Scout Group, who lent us equipment.

Anyone who has been to the Village Hall recently will have noticed the Cub's garden of tyres. All the plants were grown from seeds that they sowed themselves. Playgroup are helping to water them for us.

Beavers

There are now enough boys in the age group to restart the Beaver Colony. Unfortunately due to increased commitments at work and in Scouting I just haven't the time to do it myself. If there is anyone who is interested, or would like to know what is involved, please contact me on 830210. There will be help available for anyone, or a group of people, to run Beavers, traditionally a very enthusiastic and rewarding section.

Accordion and Fiddle Club

There was a good attendance at the March, April and May meetings, held in the Lomond Hotel, when Ray Carsie, Gordon Pattullo and The Ian Anderson Trio were guest artistes respectively.

Dunkeld and Birnam Arts Festival

Thursday 25 - Sunday 28 June 1998

The opening concert in the music room at Murthly Castle is a mixture of music, poetry and prose, with the Czardas Group and James Cairncross. The Final Concert on Sunday evening with Hannah Gordon and Peter Barkworth includes readings from the latter's anthology "For all Occasions"

Specifically Scottish musical events include "The Music of Niel Gow", and a gaelic evening of fiddle and guitar music with Brian McNeill, followed by a Ceilidh organised by Heartland FM

Other musical events include concerts by the Nemo Brass Quintet, the Harlequin Ensemble and the Scottish Flute trio.

There is also a Craft Fair (open daily 10am - 5pm) and an exhibition "This is Now" a look through the keyhole at life today and life as it was around the Parish of Dunkeld. There will also be guided walks with Christopher Dingwall of the Garden History Society, and Ranger walks with the Forestry Commission.

On 3 July the festival committee will be sponsoring a "Grand Concert of Music, Song and Dance from Scotland to Cape Breton" with a group of performers from Cape Breton Island (Nova Scotia), re-living the pattern of music and dance their ancestors took with them from Scotland when they emigrated to Canada in the 19th century.

I have a full programme and ticket application form if anyone is interested -Ed

CONTACTING THE HEALTH CENTRE

Appointments may be made by telephoning Kinross 862112, or calling into the Health Centre from 8.15am until 6pm, Monday to Friday. Patients are requested to wait until after 10am before telephoning for test results and on other matters. This is to free the telephone lines for those wishing appointments. Anyone telephoning between 8.15am and 10am, other than to make an appointment or to ask for a house call, may be asked to call back after 10am. We have three telephone lines taking incoming calls, and prefer to keep them all free for appointments during this period of peak patient demand.

Surgery consultations are strictly by appointment only. Patients presenting as urgent cases (to relieve pain or suffering) will be seen the same day as an emergency appointment, but it may not be with the doctor with whom you are registered. Routine appointments will be given the first available time, and if this is not suitable, an earlier appointment with another one of the doctors of the same practice may be offered. Please let us know when you have to cancel an appointment, in order that we may offer it to another patient.

If you are unable to attend the surgery and need the doctor to visit you at home, please telephone Kinross 862112 before 10am whenever possible. Please remember that home visits are for serious illnesses and people who cannot travel to the Health Centre - the doctor can see 3 or 4 patients at the surgery in the time it takes to do one home visit.
